Centrally located

The Capri is located between the city centre and the Prater in Vienna's 2nd district, Leopoldstadt, on tree-lined Praterstraße.

The underground station "Nestroyplatz" (U1) is right outside the front door. You can stroll to Stephansplatz, the Prater and the Ring in a few minutes, or take the underground if you're really in a hurry.

The United Nations headquarters and the Messe Wien exhibition centre are only 10 minutes away by underground. Cyclists can take advantage of the cycle path and the "Citybike" station right outside the hotel.
